

FLAG FOOTBALL - Player Code of Conduct

Participants in our city-wide adult sports program are held to a high standard of behavior. The league director is responsible for administering these standards based on incident reports filled out by the referees. Team captains may submit their own reports via email within 24 hours of incident.

A “zero” tolerance policy has been instituted for unsportsmanlike behavior in our programs since 2009. In line with our “zero” tolerance policy SPRD prohibits discrimination of any kind based on age, color, gender, national origin, physical impairment, political affiliation, race, religion, or sexual orientation. Below is a list of areas of concern and the penalties that accompany them. **This is to be used as a guideline, however, under special circumstances, the league director has the right to change, modify, or adapt these offenses or penalties as needed** keeping the best interest of the Flag Football League in mind, and considering any prior offenses and the totality of the circumstances.
